Tisca Garden
 Draussen wohnen

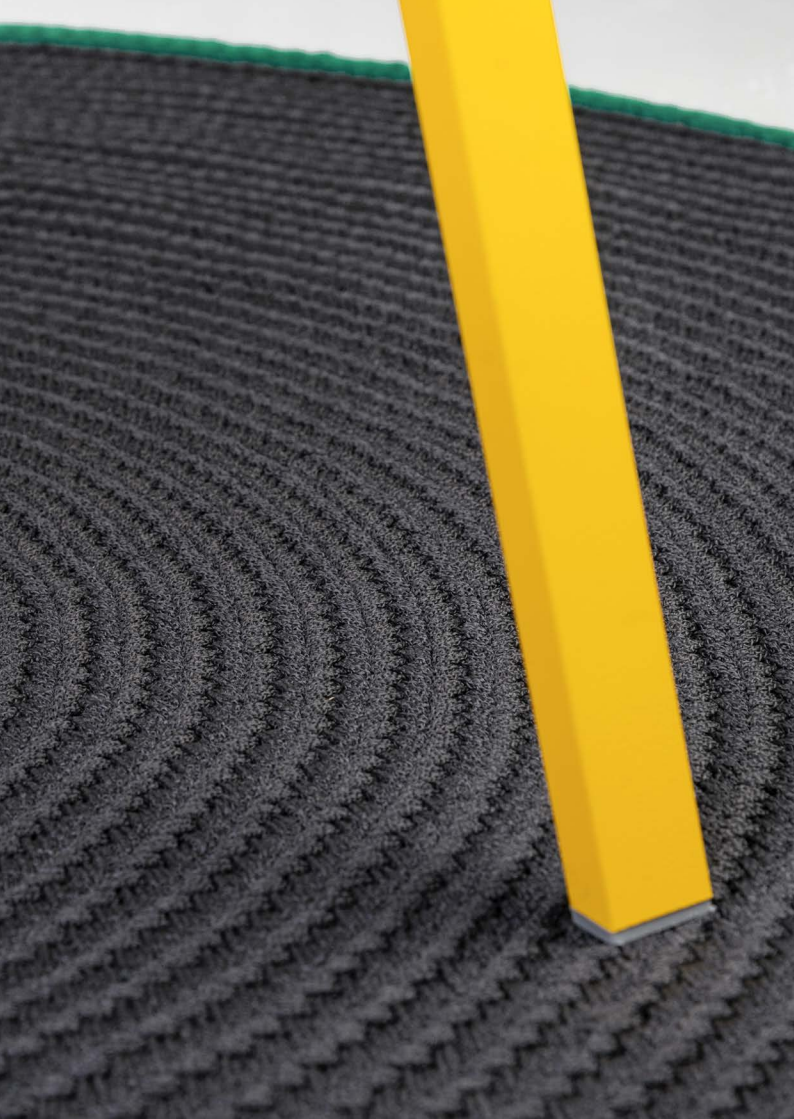

Tisca Garden Rugs.
Draussen wohnen mit hand-
gewebten Teppichen.

Die Garden Rugs von Tisca eröffnen neue Möglichkeiten um Terrassen, Vorplätze und Gartenanlagen rund um das Haus wohnlich und stilvoll zu gestalten. Teppiche in allen Farben, Grössen und Stilrichtungen, weich und angenehm zu berühren – und doch widerstehen sie Regen und Schnee, den Strahlen der Sonne und der Kälte des Winters.

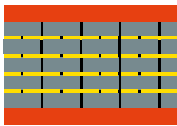

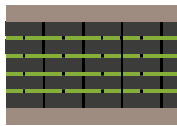

Neben den Stoffen für Kissen, für Möbel oder auch Vorhänge und einer ganzen Reihe von Accessoires sind diese Rugs Teil der Tisca Garden Kollektion.
