swiss  carpets

dBook

Das vorliegende dBook gibt Ihnen einen Einblick in den Design-Fundus von TISCA TIARA für gewebte Teppichböden. Es soll Sie auf der Suche nach Ihrem individuellen Wunschteppich begleiten und inspirieren.

Im dBook werden sämtliche Dessins farblich neutral in Schwarz-Weiss gezeigt. Selbstverständlich steht Ihnen zur Colorierung die gesamte TISCA TIARA Farbenwelt der jeweiligen Produktkategorie zur Verfügung. Somit können Sie jedes Dessin an Ihre farblichen Wünsche anpassen und perfekt auf das Interieur abstimmen.

Sei es, dass Sie zu einem bestehenden Dessin nur die Farben bestimmen wollen, oder sei es, dass Sie ein völlig neues Dessin nach Ihren Vorstellungen entwickeln möchten: TISCA TIARA ist ein erfahrener Hersteller, der Sie sachkundig berät und mit neuester Technologie bei der Verwirklichung Ihrer Wünsche unterstützt.

Etwas können wir Ihnen im Rahmen des dBook aus Platzgründen nicht zeigen, möchten es Ihnen aber keineswegs vorenthalten: Durch den Einsatz von extra breiten, elektronisch gesteuerten Jacquard-Maschinen werden neue Dimensionen für rapportlose und formal freie Dessins ermöglicht. Lassen Sie Ihrer Fantasie freien Lauf; fordern Sie uns!

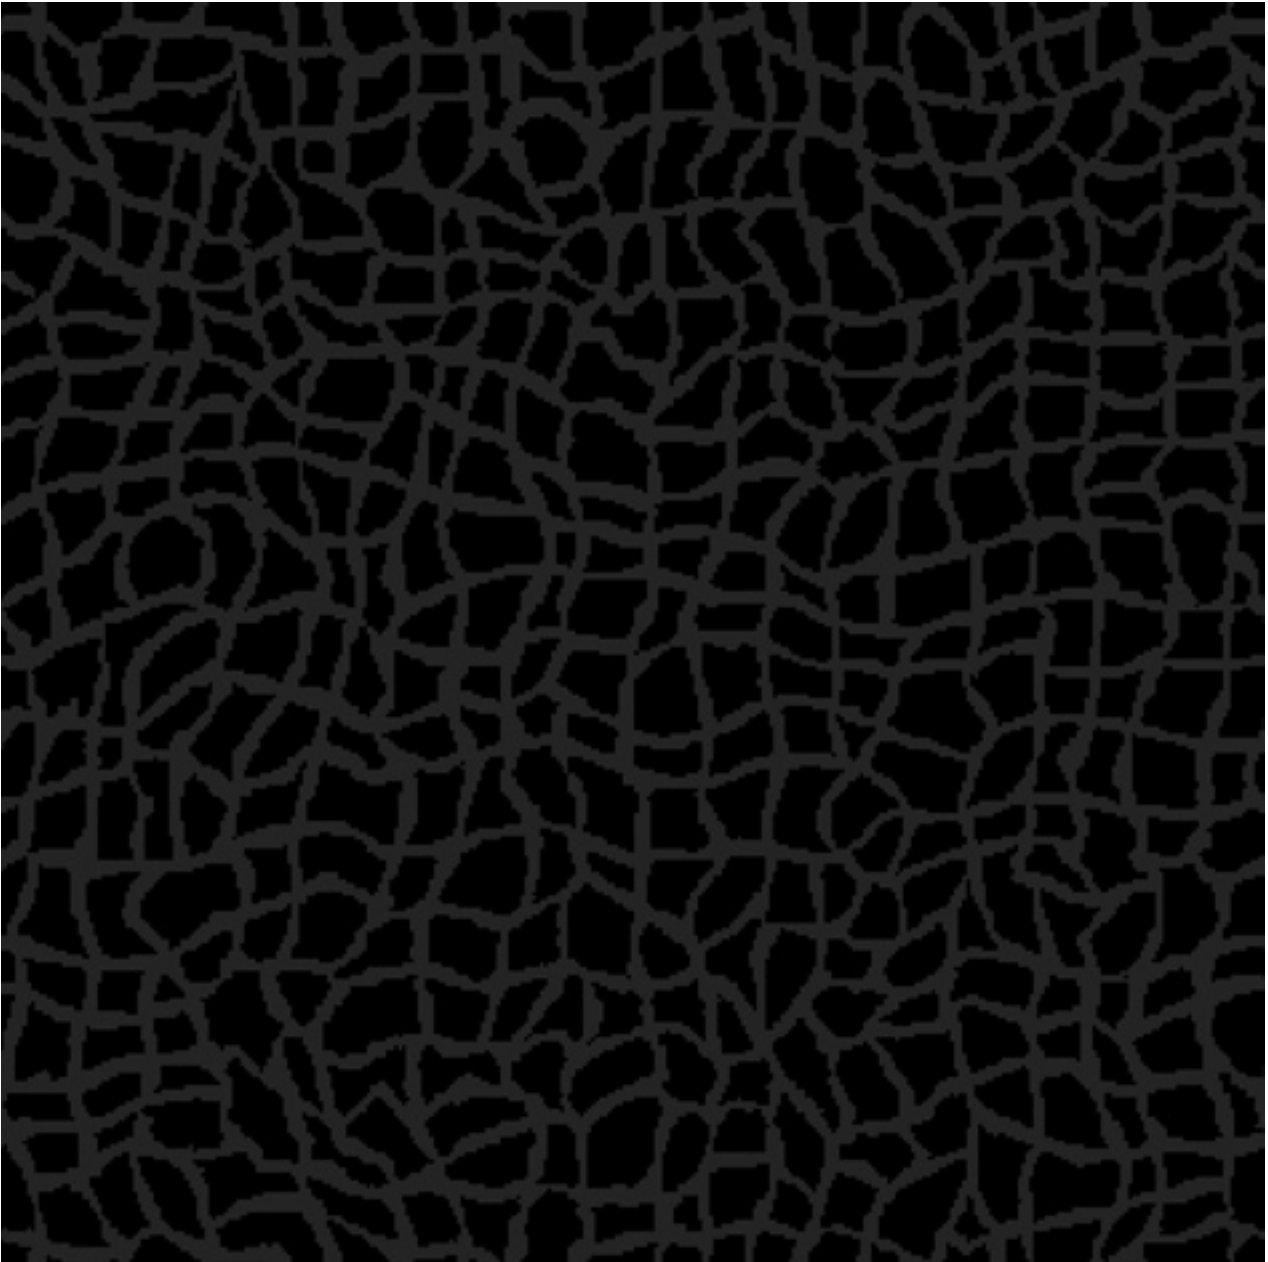

---

The dBook at hand gives you an insight into TISCA TIARA's extensive design source for woven carpeting. Let it guide you and inspire you in the search for the carpet of your personal desire.

The dBook illustrates each and every design in Black & White. For the coloring you can choose from the entire TISCA TIARA color world of the respective product category. This allows you to fashion each design to your personal color requirement and to integrate into your interior.

Whether you wish to choose the colors for an existing design or you wish to create an entirely new design according to your own vision: TISCA TIARA as experienced manufacturer of woven carpeting will guide you and assist you in the realization of your desire in a professional manner along with the latest technology.

An extraordinary feature -not shown in the dBook for lack of space- however, available for you to utilize: TISCA TIARA's extra wide computerized Jacquard looms enable new dimensions for free flowing designs without pattern repeats. Let your fantasy run free; challenge us!
